CLARK
UNIVERSITY

ABOUT CLARK UNIVERSITY, U.S.

Established in 1887 in Worcester, Massachusetts, Clark University holds the distinction of being one of the first all-graduate institution in the United States and functions as a private liberal arts and research university. It is recognized for its commitment to an inclusive and interdisciplinary educational framework, which encourages the exchange of diverse ideas.

The School of Management at Clark University is accredited by the Association to Advance Collegiate Schools of Business (AACSB), placing it within the esteemed top 5% of business schools worldwide. Research is a fundamental aspect of Clark's mission, with the objective of cultivating graduates who possess both specialized knowledge and strong ethical leadership capabilities.

The university's campus comprises 7 Schools of Learning, 8 Centers and Institutes, and 4 Libraries. Students have the opportunity to engage in a wide array of organizations, including the Clark Women in Business group and the School of Management Student Council, as well as participate in national associations such as the American Marketing Association and the Accounting and Finance Association. Clark University's now close to 140-year legacy has nurtured visionaries who challenge established norms and foster innovation.

Rankings and Accreditations

- Clark University is accredited by the AACSB, a distinction held by only 5% of global business schools.
- Clark holds an accreditation from the New England Commission of Higher Education (NECHE) for educational quality.
- The US News & World Report 2022-2023 ranks Clark among the Top 10 National Universities with under 5,000 students.
- The University is ranked #97 among the Top 100 Universities in the USA.
- Ranked #42 in 'Best Value Schools' for offering high-quality programs at affordable prices.

ABOUT AMITY UNIVERSITY

Established over 30 years ago, **Amity University** is the flagship institution of India's leading not-for-profit global education group, recognized for its unparalleled academic excellence and innovation. Ranked among the **top 3% universities globally** by QS and THE, Amity continues to redefine higher education with its student-centric approach and research-driven focus.

Why Amity University Noida?

- **Global Presence:** Campuses across India, London, Dubai, Singapore, New York, San Francisco, Abu Dhabi, Mauritius, Sharjah, Muscat, South Africa, Amsterdam and Tashkent
- **Research Excellence:** Over 2,200 patents filed and 36,000+ research papers published
- **World-class Facilities:** 35+ research centers, hi-tech labs, and self-sustained campuses across 2,000 acres

- **Alumni Network:** 700,000+ alumni excelling globally in top organizations and universities

With a strong focus on nurturing leadership, innovation, and a global outlook, Amity University Noida stands as a beacon of excellence in education.

Rankings and Accreditations

- Asia's only not-for-profit university to be awarded accreditation by WASC (USA) and UK's Quality Assurance Agency for Higher Education
- India Today: Ranked India's No.1 Private University (11 consecutive years)
- Ranked among The Top Universities Globally for producing the Most Employable Graduate : THE Global Employability Survey (5 consecutive years)

Why Study in USA?

- Home to 25% of the world's top 100 universities, USA offers unparalleled academic excellence.
- With over 4000 universities offering 34000+ programs, USA provides an extensive array of educational opportunities.
- USA invests \$500 billion annually in research, fuelling innovation across diverse fields.
- Remarkably, 1 in 5 CEOs worldwide earned their degree from USA, underscoring its influence on global business leadership.
- Over 1 million international students choose USA annually, fostering a vibrant, multicultural learning environment.
- International graduates in USA enjoy up to 3 years of work permit, enhancing their career prospects significantly.

About The City of Worcester

Worcester is strategically located between Boston and Springfield, serving as a central hub in Massachusetts. The city harmonizes the appeal of a historic small town with the benefits and attractions characteristic of a vibrant urban centre.

The city offers a wealth of opportunities for its young residents, including nightlife, dining establishments, annual festivals, cultural events, and a variety of museums. With a mere 50-minute drive to Boston, students are presented with access to distinguished universities such as MIT, Harvard University, and Boston University.

Worcester stands out for its affordability, as its average housing costs are below the Massachusetts state average. The median rents for housing options in the area are \$1,063 for studio apartments, \$1,134 for one-bedroom units, and \$1,450 for two-bedroom accommodations. In addition, numerous businesses are present in close proximity establishing Worcester as an optimal location for internships and employment opportunities.

Comprehensive Curriculum with Real-World Applications

Clark University's MSF program offers a comprehensive curriculum that integrates theoretical knowledge with real-world applications. Students engage with financial modeling, risk management, and investment analysis, ensuring they are well-prepared to tackle complex financial challenges. This hands-on approach ensures graduates possess the practical skills demanded by top employers in the finance industry.

Access to Cutting-Edge Financial Technology

Students in the MSF program at Clark University benefit from access to state-of-the-art financial technology and resources. With the help of various advanced financial software, the program equips students with the tools used by top industry professionals. This exposure to cutting-edge technology enhances their technical proficiency and gives them a competitive edge in the job market.

Strong Industry Connections and Networking Opportunities

Clark University has established strong connections with leading financial institutions and industry professionals. MSF students have ample opportunities to network through industry events, guest lectures, and alumni interactions. These connections are invaluable for securing internships and job placements, providing students with a robust support system as they launch their finance careers.

Specialized Tracks in Investment Management and Corporate Finance

The MSF program at Clark University offers specialized tracks in Investment Management and Corporate Finance. Students can tailor their studies to align with their career aspirations, gaining in-depth knowledge in their chosen field. This specialization not only enhances their expertise but also makes them highly attractive candidates for specialized roles in the finance sector.

I would like to extend my gratitude to the entire Amity Online - Study Abroad team who made it so easy for me to live my dream of experiencing overseas education. They helped me at every step of the study abroad application process, which left me with ample time to focus only on my academics.

Eishvak Sengupta

To any student considering abroad education, I strongly recommend the Amity Online - Study Abroad Pathway program since it's more than just a pathway to your master's degree abroad; it's a transformative journey of personal and academic growth. From the initial consultation to the moment I stepped foot on campus overseas, the support I recieved was unparalleled.

Piyush Arora

I am glad to have been a part of the Amity Online - Study Abroad Pathway Program. According to me, what sets the program apart is its personalised approach. Unlike other service providers, they didn't push me to pick from the pool of several foreign universities but, took the time to understand my academic interests, career goals, and financial constraints to recommend the best-fit institutions. This tailored guidance was invaluable and was a great add-on to the many benefits of studying abroad.
